

You're Invited!

Please join us for an educational event discussing: Urinary Incontinence and Pelvic Organ Prolapse

Benjamin J. Barenberg, M.D., M.S., FACOG
Urogynecologist at Optimal Health

Tuesday, November 15, 2022

6:00 pm

Location:

Iron Star Urban BBQ
3700 North Shartel Avenue
Oklahoma City, OK 73118

Featuring:

Benjamin J. Barenberg, M.D., M.S., FACOG, is a board certified and fellowship trained urogynecologist. Urogynecology is a fairly new subspecialty that focuses on disorders of the female pelvic floor. Pelvic floor disorders can be the result of weakened or damaged pelvic floor muscles secondary to childbirth, obesity, surgery, chronic disease, or heavy lifting. Dr. Barenberg sees women affected by pelvic floor disorders such as urinary incontinence and pelvic organ prolapse.

This event is focused on education and discussion regarding Coloplast products and technologies. Please note that Coloplast follows the AdvaMed Code of Ethics for Interactions with Health Care Professionals. As such, we cannot provide transportation or meals for spouses or guests of attendees. Expenses associated with this event, including transportation, accommodations, and meals may be reportable under federal and state law. © 2019 Coloplast Corp.
